

Written Statement of Family Emergency

Student Name: Maryam Hassan

Student ID: U24199997

Date of Statement: December 9, 2026

Dear Registrar's Office, University of Sharjah,

I am writing to explain my absence from the Information Security final examination held during the Fall 2026 term. On December 9, 2026, I received urgent news that a close family member had been hospitalized unexpectedly in Amman, Jordan. Given the seriousness of the situation, I had to book emergency travel that same day and departed on December 9, 2026, returning on December 13, 2026. Because of the short notice and the timing of my flight, I was unable to sit for the exam or notify the department in advance.

I have attached my flight itinerary as supporting documentation and am requesting an incomplete grade with the opportunity to complete the missed examination. I apologize for the disruption and am happy to provide any further documentation the department requires.

Sincerely, Maryam Hassan
